Fidelity brokerage and mutual fund account customers can import their tax information directly into TurboTax and other Intuit tax products (most retirement and non-retirement accounts are eligible). To import this information, enter your Fidelity Username and your Fidelity Password in the fields.

By accepting and using the import, you assume full responsibility for the accuracy of the information on your tax return. It is essential that you read the information contained at the following web address prior to importing the data from Fidelity: [www.fidelity.com/tax-information/turbotax-disclosure](http://www.fidelity.com/tax-information/turbotax-disclosure)
Great! We got all your forms from Fidelity Investments

We recommend adding all these forms to your taxes. (You can unselect any.)
