Use QuickBooks for Accounts Payable

Tracking accounts payable in QuickBooks means you enter a bill, then pay the bill at a later date. Entering bills when you receive them allows you to see on reports how much you owe to your vendors at any time. Before you can enter a bill from a vendor, they must be set up on the vendors list.

Add vendor to the vendors list:

1. Click Vendors on the Home page.
2. Click the New Vendor drop-down and select New Vendor.
3. Enter the appropriate information for the vendor on each tab of the New Vendor window.
4. Click OK.

Entering Bills

When you receive a bill from a vendor, you should enter it into QuickBooks as soon as you can. This ensures your accounts payable balance is always up to date, and you can keep track of what you owe to vendors on the Accounts Payable reports.

To enter a bill:

1. Click the **Enter Bills** icon on the Home page.
2. In the **Vendor** field, enter the vendor name.
3. Enter the appropriate amount due, date, terms and reference information in the top section of the bill.
4. Use the **Expenses** tab to allocate the expenses on the bill to the appropriate expense account.
5. Click **Save & Close** to record the bill.

Note: Terms determine when the bill is due. For example, Net 30 means a bill is due in 30 days. You can set default terms for the vendor on the Payment Settings tab of the vendor setup.

The screenshot shows the 'Enter Bills' window in QuickBooks. The window title is 'Enter Bills'. It has a menu bar with 'Main' and 'Reports'. Below the menu bar is a toolbar with icons for Find, New, Save, Delete, Memorize, Create a Copy, Print, Attach File, Select PO, Enter Time, Clear Splits, Recalculate, and Pay Bill. The main area has radio buttons for 'Bill' (selected) and 'Credit', and a checked box for 'Bill Received'. The 'Bill' form includes fields for Vendor (Andrew Haberbosch), Address (57 River Avenue, Montreal, QC H2E 9V3), Date (08/31/2016), Ref. No. (9087), Amount Due (1,500.00), Bill Due (09/30/2016), Terms (Net 30), and Memo. Below the bill form is the 'Expenses' section with a total of \$1,339.29 and an 'Items' section with a total of \$0.00. The 'Expenses' table has columns for Account, Tax, Amount, Memo, Customer Job, and Billable?. The first row shows 'Advertising and Promotion' with a tax of 'S' and an amount of '1,339.29'. At the bottom, there are fields for Vendor Tax Code, GST (ITC) 5.0% (66.96), and PST (BC) ON PURCHASES 7.0% (93.75). Buttons for 'Save & Close', 'Save & New', and 'Clear' are at the bottom right.

NOTES

Accounts Payable Reports

QuickBooks makes it easy to keep track of what you owe to your vendors on the built-in Accounts Payable reports. The Accounts Payable Aging Detail and Summary reports show you open balances, and if you are overdue on those balances. The Unpaid Bills Detail gives you a list of open bills that need to be paid.

Run Accounts Payable Aging Summary/Detail reports:

- From the Reports menu select Vendors and Payables, then Accounts Payable Aging Detail or Summary.
